Friday Letter 26 February 2010

Good Day Fellow Big Dogs

Another week has come and gone. This one has been pretty uneventful and we don't have much to report. Work continues on the update of the Standard Operating Procedures. You'll hear more about that soon. Next week, you will see the results of the Strategic Planning Team's efforts as the final goals for 2010, the first quarter and the month of March are publicized.

We had a visit from Derrick Jones from GCC this past week. He had some productive discussions with the MFH Maintenance gang.

### **Quote of the Week**

**Ethics or simple honesty is the building blocks upon which our whole society is based, and business is a part of our society, and it's integral to the practice of being able to conduct business, that you have a set of honest standards. And it's much easier to do business with someone when you look them in the eye and say, "This is what we're going to do," and you understand what you each mean, and you can go away and get it done.**

**Kerry Stokes**

We wish a very happy birthday to Tommy Lovett, as he celebrates another year on the planet this Saturday. Tommy is a Quality Control and Safety Inspector on the Eglin Saber project. Make sure to extend a Big Dog birthday greeting to him when you see him. This was a great excuse to enjoy some decadent chocolate avalanche cake.

Don't forget to save the date for the 7<sup>th</sup> annual YDT celebrity golf tournament which will be held on 21 May 2010 at the Fort Walton Beach Municipal Golf Course with a 1:00 shotgun start. Continue to spread the word far and wide!

Once again, time flies and so must I. Until next time keep up the good work and remain **SAFE (Stay Accident Free Everywhere)**.
