BIG DOGS!! Bow Wow! We are quickly approaching the holidays and it's time to give thanks and count our blessings that we are still here. Thank you for all you do. ThomCo is nothing without you. I am sincerely appreciative of you, your hard work, and all that we have accomplished this year. Please come join us for lunch this Wednesday, December 21, as ThomCo celebrates Christmas.

We held our first Timberline training session today. Please thank Sandra for all of her hard work in hosting the session and being it's teacher as well. David Bardin is officially on his way to seminary. Although we may see him once again next week, he has officially left the building. Thanks David, you will always be a part of this team.

I look forward to seeing you at the luncheon.

Come one come all and let's have some fun.
