The following is a message from the desk of the
"Big Dog"

Quote of the Week

I've missed more than 9000 shots in my career.

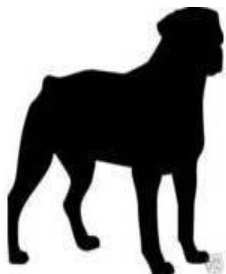

I've lost almost 300 games.

Twenty six times, I've been trusted to take the game winning shot and missed.

I've failed over and over and over again in my life.

And that is why I succeed.

BIG DOGS!

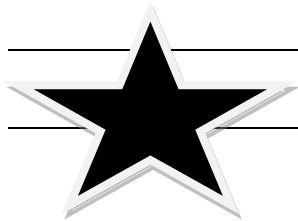

BIG DOGS!!!!

BIG DOGS!!!! It is time to live up to our own expectations. We are great!!! We must act great. In an engine it takes all the moving parts rotating around each other, synchronized, in order to be a well oiled machine. One bad gear or misfiring spark plug can make an engine run like it's on its last leg. It's time for a tune-up. You tune your car up every 3000-6000 miles, we must tune the company up every couple of months or when we start misfiring. I feel us misfiring!!!! The thing that surprises and frustrates me is that you already know we are misfiring but have accepted us running like crap....nothing or no-one in this company is untouchable. No policy is set in stone. If something is hindering your performance let me know, even if that something is me. Last week was a tough one but we fought through the batter and prevailed. **God is great.** I'm sure next week will present new challenges, hopefully not as big!!!! We will have trouble all the days of our life. If we do not adjust and change to the new environment we will fall and become a relic of the past. It's time for a tune up in order to keep this machine running. We all can grow; we all can learn more than we currently know. Are you aware of what you don't know? Are you willing to go back to school in order to learn more?
"nothing changes until the pain of remaining the same is greater than the pain of change". Do not be afraid of anxious!!!!

Romans 8

31 What then shall we say to these things? If God [is] for us, who [is] against us?

32 He that spared not his own Son, but delivered him up for us all, how shall he not also with him freely give us all things?

HAPPY FATHER'S DAY 19 JUNE ☺☺☺

The big event finally nears! Next Friday we will be hosting the 8th Annual Yolanda D. Thomas Scholarship Endowment Celebrity Golf Tournament at the Fort Walton Beach Golf Club. It should be another great event. Come out and support it if you can.

In project news, Dozier Thomas attended the Pre-Construction meeting for his upcoming job on the University of West Florida's Pensacola campus. That job is set to begin on 5 July.

Once again, time flies and so must I. Until next time keep up the good work and remain SAFE (Stay Accident Free Everywhere).
