Friday Letter 9 October 2009

Good Day, Fellow Big Dogs

Well, another week has come and gone. We have no major news to report other than the fact that your Strategic Planning Team met today to review results for the third quarter and plot adjustments to ensure a successful quarter. You will be hearing more about those efforts in the near future.

We do want to give two paws up to Keshun Brown from our GCC partner, for her prompt responses to requests for assistance in obtaining email accounts. I think we will make her an honorary Big Dog, along with Greg and Carol Cody and Derrick Jones. The pack is growing as we speak!!

### **Quote of the Week**

This week's photo gallery shows the powerhouse Thomco Big Dogs under 6 soccer team, coached by none other than Ken "Bob" Rouse (Construction Coordinator) with the assistance of Rob Mitchell (Project Manager). I understand that they are very good. Their next game is tomorrow at 10:30. By the way, the photo captioned victory celebration shows Ken's son and Rob's daughter. Go Big Dogs!!!

Remember that the Outstanding Performer of the Quarter Awards luncheon has been rescheduled for next Friday, 16 October 2009 at the corporate headquarters. I have heard rumors of some exceptional dishes being prepared. Rumor also has it that there may be a \$25.00 prize for the tastiest side dish (if we can find some unbiased judges other than yours truly-come to think of it I can't participate in the judging either because of my dietary status ☺ ☺). Oh well, I'm sure we can scrape up a couple of judges somewhere.

To clear up any confusion, Monday, 12 October is not a corporate holiday. The doors will be wide open and all corporate employees will be expected to walk through them.

Once again, time flies and so must I. Until next time keep up the good work and remain **SAFE (Stay Accident Free Everywhere)**.
