Good Day Fellow Big Dogs

**Happy holidays to all the members of the pack, as well as your family and friends!!!!!!!!!!!!!!**

I want to begin by thanking everyone for their generosity in contributing to the United Way. Once again, you have demonstrated your propensity for caring, and I'm sure the worthy recipients of that generosity will greatly appreciate it. Kudos go out to Sheila Arbuckle for coordinating the campaign. She did an excellent job! Two paws up to her!

Some members of the pack braved the winter monsoon earlier this morning and attended the preconstruction meeting for the Eglin Saber contract. That program looks like it will get off to a roaring start immediately after the holidays.

The Executive team also did an off-site to begin the 2010 planning cycle earlier this week. You will be hearing more details about the outcome in the future.

#### **Quote of the Week**

**This week's quote of the week is attached.**

The really big news is that the Christmas party is here! That's right. Time has flown and tomorrow is the big day. We're looking forward to another festive event. Kudos and thanks to Jerry Schauer for putting together the wonderful flyer that includes aerial photos of the party site! Our own Michael Moore, who is also a professional photographer, will be taking pictures to once again record the event. He will be taking and selling individual photos should anyone desire him to. Special guests for the event will include Greg and Carol Cody and Derrick Jones.

This week's photos come to us courtesy of Ben Waltman. They show the progress of the Holley Navarre school project. It looks like it is about 98% complete.

For planning purposes, please keep in mind that Thursday and Friday, 24 and 25 December are company holidays and the corporate office will be closed. Please plan accordingly. There's nothing like a four day weekend. You are some lucky DOGS!

Remember to save the date for the 7<sup>th</sup> annual YDT celebrity golf tournament which will be held on 21 May 2010 at the Fort Walton Beach Municipal Golf Course with a 1:00 P.M. shotgun start. Continue to spread the word far and wide!

Once again, time flies and so must I. Until next time keep up the good work and remain **SAFE (Stay Accident Free Everywhere)**.

## CHRISTMAS DOG

By Shel Silverstein

Tonight's my first night as a watchdog,  
And here it is Christmas Eve.  
The children are sleeping all cozy upstairs,  
While I'm guardin' the stockin's and tree.

What's that now---footsteps on the rooftop?  
Could it be a cat or a mouse?  
Who's this down the chimney?  
A thief with a beard---  
And a big sack for robbin' the house?

I'm barkin', I'm growlin', I'm bitin' his butt.  
He howls and jumps back in his sleigh.  
I scare his strange horses, they leap in the air.

I've frightened the whole bunch away.  
Now the house is all peaceful and quiet again.  
The stockin's are safe as can be.  
Won't the kiddies be glad when they wake up tomorrow  
And see how I've guarded the tree.
