Friday Letter 23 October 2009

Good Day Fellow Big Dogs

We begin this week by welcoming a new member to the pack. Michael Moore joined us in the Pre-Construction department this past Monday. He brings a wealth of estimating experience to the table. We are looking forward to big things from him.

Gregory Cody and Derrick Jones both visited this week. It is always to have our GCC brethren among us. Greg Cody visited a number of our joint construction sites and was very impressed with he saw. Derrick also had a good visit with the Hurlburt MFH team and the corporate office staff.

Quote of the Week

Hard work spotlights the character of people: some turn up their sleeves, some turn up their noses, and some don't turn up at all.

Sam Ewing

For long range planning purposes, Daylight Savings Time ends 1 November. You can begin thinking about the shorter daylight hours and the effect it will have on you and your projects.

Rumor has it that Cathy will celebrate 5 years as a member of the pack this Sunday. She has requested, therefore, that the massive celebration be held on Monday. So, whoever is assigned to bring the fifth anniversary pastry (Albert), don't forget to bring it on Monday.

Building Industry Gurus... Delivering Only Grand Satisfaction!

Michael Moore also joined us just in time to celebrate another birthday on Wednesday, 28 October. Give him a Big Dog birthday shout out when you see him.

This week's photo highlight is the joint birthday celebration of Robert Carson and Sheila Arbuckle out at Hurlburt. Don't they just look thrilled to be seeing the advent of another year?

Once again, time flies and so must I. Until next time stay **SAFE** (Stay Accident Free Everywhere)!
