Good Day Fellow Big Dogs **And HAPPY HALLOWEEN!!!!!!!!!!**

We begin this week's missive with absolutely astounding and incredible news. Now, I'm not normally one to gossip and you didn't hear this from me, but the Big Dog and our first lady, Angela, are expecting the arrival of a wee one in the next six months. I'm sure that all the members of the pack join me in congratulating them and wishing them the very best!

Quote of the Week

A baby will make love stronger, days shorter, nights longer, bank balance smaller, home happier, clothes dirty, the past forgotten, and the future worth living for.

This was a great week for the pack. This past Saturday, we held the groundbreaking for the Holy Name of Jesus Church renovation project. In addition, we received the contract for the Panama City Beach Pier Park renovation project. The Pricing was submitted for the renewal of the Hurlburt MFH maintenance contract. The hits just keep on rolling!

We will also be seeing a new member of the pack arrive November 9th. Paola Navedo will be joining us to serve as Fred's Executive Assistant. She comes to us from Nestle. Sandra will be taking her wealth of knowledge to Operations, which should be a really good fit.

This Saturday is Halloween and the little ghosts and goblins will probably be out in force. It's an enjoyable time for them. Let's all do our part to help them with that and keep them safe while they're having a good time.

Finally, lest we forget, Daylight Savings ends Sunday, 1 November at 2:00 A.M. at which time we **fall back**. Let's all remember to set our clocks back before going to bed (unless you're like the Big Dog and will be up sending emails for Monday!). This is also a good time to change the batteries in your smoke detectors and Carbon Monoxide Detectors.

Once again, time flies and so must I. Until next time keep up the good work and remain **SAFE (Stay Accident Free Everywhere)**.
