Friday Letter 31 December 2009

Good Day Fellow Big Dogs

**Happy New Years to all the members of the pack, as well as your family and friends and best wishes for a wonderful 2010 !!!!!!!!!!!!!!!**

Remember that tomorrow is a company holiday and the corporate offices will be closed.

### **Quote of the Week**

#### **New Year's Toast**

Here's to the new year...  
May it bring more joy and success  
And less grief and regret.  
To our dreams...  
May we never stop believing in them  
And taking the actions that will make them a reality.  
To our friends, loved ones, associates (or colleagues)...  
May we take the time to let them know  
How much it means to us  
To have them in our lives.  
Let us encourage more and criticize less,  
Give more and need less.  
And whenever we can,  
Let us create harmony and peace.  
To new beginnings...  
Let us start fresh, right now,  
To make this the very best year ever.  
A very Happy New Year to all of us!

We begin this week by thanking all those who helped plan and conduct the Annual Christmas Party and Awards ceremony. From what I hear, a good time was had by all !!! A complete list of the fourth quarter and annual awards winners is attached. Special kudos and congratulations go out to **this year's President's Award winner, Ken Bob Rouse, and this year's BIG DOG, Cathy Glass.**

The James Philyaw Jr. family has a new addition this week. A new baby girl arrived at 6:20pm on Tuesday, 29 December (perfect timing for a new tax deduction). A photo of the new arrival is attached.

We have just made the first hire for the GCC/Thomco Saber project at Eglin. His name is Jonathan Moore, and he will be the Senior Project Manager for this project. He comes to us with extensive Saber experience and we are looking forward to great things.

We also have some not so good news to share as we end 2009. One of our team members operating a company vehicle managed to hit a privately owned vehicle owned by another of our team members, resulting in approximately \$1600 worth of damage to the privately owned vehicle. The take-away from this is that we need to be constantly vigilant and aware of our surroundings. It only takes a few seconds of inattention or distraction to cause a mishap. Let's all try to maintain our situational awareness to prevent a recurrence of this type of incident.

In the second incident, one of our team members left his laptop in his privately owned vehicle. The vehicle was broken into and the laptop was stolen, along with a broad band card. The cost of this incident was approximately \$1500. We all transport company property in our privately vehicles from time to time. The take-away here is to secure property in the trunk of your vehicle, so it is unseen and doesn't invite a break-in.

Remember to save the date for the 7<sup>th</sup> annual YDT celebrity golf tournament which will be held on 21 May 2010 at the Fort Walton Beach Municipal Golf Course with a 1:00 P.M. shotgun start. Continue to spread the word far and wide!

Once again, time flies and so must I. Until next time keep up the good work and remain **SAFE (Stay Accident Free Everywhere).**
