Ft. Walton Beach, FL (20 March 2009) ThomCo Enterprises, Inc. announces the appointment of Charles Cooper as Vice President of Construction Operations in the Corporate Office at Ft. Walton Beach, FL. Mr. Cooper joined the firm in 2008 with extensive experience in the Government, Commercial, Institutional and Public sectors. He brings to ThomCo success in leading corporations through critical start-up, turnaround, and fast-track growth. Program and project management experience includes a broad range of delivery options for design, construction, environmental, and management services with the Federal, State Government and private sector. He has a strong educational foundation in technology and business, including architecture, construction, engineering, finance, and accounting.

His experience both nationally and internationally will allow for ThomCo to grow strategically throughout the South Eastern USA and deliver a broader based service in the Preconstruction, Construction and Post Construction phases of the building process.

ThomCo Enterprises, Inc. based in the Panhandle of Florida, is a certified service-disabled veteran and minority owned business enterprise operating in the Southeastern US since 1992. ThomCo provides General Construction, Facility Management, Disaster Support and Design Build services to Commercial, Institutional and Public Clients. The company has successfully completed more than five hundred projects of various sizes and complexities throughout the Southeast. ThomCo has a reputation for supporting and partnering with its clients to help overcome site, design and construction constraints. Through the application of quality enhanced value engineering solutions and time/change management ThomCo has helped its clients improve quality, reduce costs and move in on time.
